## D&D CONTROL (M) SDN BHD (PENANG TEAM) SPONSORS AMH NORTHERN EVENT 2025

The event featured insightful speeches, a presentation on our **Container Logistics Ecosystem (CLE)** by Regional Manager **Mr. Jimmy Ang** with assistance from **Mr. Amir (Business Development)** and interactive discussions at our booth. It was a fantastic platform for networking and industry collaboration. A big thank you to **Association of Malaysian Hauliers (AMH)** and all attendees for making this event a success! Looking forward to more innovations in container logistics.
