STRENGTHENING COLLABORATION IN LOGISTICS & PRODUCTIVITY | MAJLIS BERBUKA PUASA 2025

A presentation on the **Logistics Project in Penang** was delivered by **En. Mohd Khairil Anuar (MPC)**, highlighting logistics performance and data analysis through **Container Logistics Ecosystem (CLE)**. **Tuan Harbani (MPC Associate)** discussed how a complete ecosystem improves efficiency, while **Mr. Jimmy Ang (D&D)** provided updates on mobile apps for haulier drivers. The session concluded with a **Majlis Berbuka Puasa**, strengthening industry ties with key representatives from government agencies and logistics associations.
