ENGAGEMENT SESSION ON CONTAINER LOGISTICS ECOSYSTEM (CLE)

D&D Control Penang team joined the **Container Logistic Ecosystem (CLE) engagement session** organized by MPC at the Northern Region office. Our representatives, **Mr. Jimmy Ang, Mr. Zaid Harithah, and Ms. Nur Azwanisuhaida Zainon**, gained insights on challenges and opportunities in the container logistics sector.

The session also featured open discussions with industry players and PEILTRA on regulations, operations, and collaboration. D&D Control remains committed to supporting initiatives that drive innovation, efficiency, and synergy in the logistics ecosystem.
